## **Curriculum Vitae**

### **Personal Summary:**

A highly consciences, goal-driven, customer-orientated professional with a background in IT, customer service and leadership. I am passionate, with an eye for detail and take the initiative whenever possible, combining my educational accreditation and professional experience. I gained the theoretical and practical experience in understanding how to become creative and design the undeveloped ideas. I am fast learner and a great team player and always strive to perform at my very best abilities.

### **Education:**

September 2009 – July 2012:

University Of Bedfordshire (Luton, England)  
Graduated with BA Hons Degree in Biomedical Science

December 2022 – March 2023: Trilogy Skills – Front End Developer Bootcamp

### **Employment:**
